3G Wireless Broadband Plans

OUR NETWORK

Do you need to stay connected? We have the edge you've been looking for. Bluegrass Cellular offers high speed 3G data access on our EV-DO Network. This service is available in select areas with speeds that rival DSL. Make your own private hotspot by using a router in your home or office with instant high speed access. For fast access on the go, purchase one of our wireless aircards with data for laptop connectivity. But wait there's more: customers who have a Bluegrass Cellular voice plan receive a $5.00 discount when they add a Bluegrass Wireless Broadband service-That's $60 a year!

Wireless Access will let you:

- Download Applications
- Browse the Internet
- Play Music
- Watch Videos
- Video Chat
- Send/ Receive Emails
- Share Files instantly
