CERTIFICATION OF JEFFREY H. AUMAN

I, Jeffrey H. Auman, certify under penalty of perjury as follows:

1. I am employed by Sprint Nextel Corporation ("Sprint") as a Vice President with responsibility for Virgin Mobile brands including Virgin Mobile USA, payLo by Virgin Mobile (collectively "Virgin Mobile"), Virgin Mobile Broadband2Go, and Assurance Wireless.

2. Virgin Mobile intends to offer broadband service in connection with the Commission's Broadband Pilot Program pursuant to the Commission's rules and regulations for the Lifeline program;

3. Virgin Mobile will implement all necessary procedures and efforts to prevent waste, fraud and abuse in connection with its participation in the Pilot Program, including but not limited to procedures that Virgin Mobile will have in place to prevent duplicate broadband subsidies within its subscriber base, and procedures Virgin Mobile will undertake to de-enroll subscribers receiving more than one broadband discount per household;

4. Virgin Mobile will participate in the collection and sharing of anonymized qualitative and quantitative data with standardized data elements, formatting, and submission requirements;

5. Virgin Mobile will participate in workshops to discuss interim and final results of the project, and how best to use limited universal service funds to increase low-income consumers' adoption of broadband services.

6. Virgin Mobile's usage limits for the $20 Broadband2Go offer will be identical for pilot participants and all other Broadband2Go customers enrolled in the same service plan. However, Virgin Mobile cannot guarantee that its broadband service offering will provide sufficiently low latency to enable use of real-time applications such as Voice over Internet Protocol (VoIP).
