Dear Ms. Dortch:

This letter is a follow up to the meeting on August 15, 2012, between representatives of Verizon, Comcast, Time Warner Cable, and Cox Enterprises and Commissioner Mignon Clyburn, Dave Grimaldi, and Louis Peraertz, and the associated ex parte letter filed on August 17, 2012.

Bright House Networks ("Bright House"), a member of SpectrumCo, would like to note its agreement with the parties' statements in the ex parte letter. In particular, Bright House agrees that the focus of the Joint Venture is on innovative technical capabilities for the delivery of services to consumers, and not on the acquisition, ownership or control of video or other programming content. Bright House also agrees that the Joint Venture is focused on "*technologies* related to the *delivery* of services to consumers, whether the services being delivered happen to be voice, data or video services."

Please contact the undersigned if you have any questions regarding this notice.

Sincerely,

Michael H. Hammer
