A F F I D A V I T

I, Gail Thompson, am the wife of Ralph Thompson. Ralph was licensed to operate Business Radio Service--Conventional station WIH275. One day in April, 1994, I received a telephone call from a woman who identified herself as Anne Marie Wypijewski of the Federal Communications Commission. Ms. Wypijewski called regarding my husband's station which was target of a Finder's Preference Request filed by James A. Kay, Jr. My husband had written a letter to the FCC on April 5, 1994, opposing the Finder's Preference Request.

Ms. Wypijewski said that the license for the station was going to be cancelled regardless of the Finder's Preference Request. She indicated that she was trying to help, and she wasn't cancelling the license just to take it away. She informed me that once the license cancelled, it would be "up for grabs" and anyone, including my husband, could apply for it. She made it sound like it would not be very long before all this happened.

Ms. Wypijewski called again on Friday, April 29, 1994 and left a message on our answering machine. I did not have an opportunity to return her call.

I declare, under penalty of perjury, that the foregoing statement is true and correct.
