Re: Section 64.1195 Compliance Survey
Reference Number: UC 4-11

Dear Madame/Sir,

The Investigations and Hearings Division of the Enforcement Bureau is verifying that all carriers providing telecommunications services are complying with the carrier registration requirement in section 64.1195 of the Commission's rules. This registration requirement extends to carriers that acquire telecommunications services for resale, as well as to carriers that acquire resold telecommunications services for resale.

It is our understanding that Compass Global has been purchasing telecommunications services for resale. We have not been able, however, to determine whether Compass Global has registered with the Universal Service Fund Administrator pursuant to the Federal Communications Commission's rules. In accordance with section 64.1195(a) of the Commission's rules, carriers that will provide or are providing interstate telecommunications services to end-users must file registration information by submitting a Telecommunications Reporting Worksheet, FCC Form 499-A, to the Universal Service Fund Administrator.

Entities that provide interstate telecommunications services to the public, or to such classes of users as to be effectively available to the public, for a fee are considered telecommunications carriers providing interstate telecommunications services. Interstate telecommunications services include, but are not limited to: (1) cellular telephone and paging services, (2) mobile radio services, (3) operator services, (4) personal communications services (PCS), (5) access to interexchange services, (6) special access service, (7) wide area telecommunications service (WATS), (8) toll-free service, (9) 900 service, (10) message telephone service (MTS), (11) private line service, (12) telex, (13) telegraph, (14) video services, (15) satellite service, (16) resale of interstate services to end-users, (17) payphone services, (18) frame relay service, and (19) ATM service. Accordingly, if your company is planning to provide or is providing any of

these interstate telecommunications services to end-users for a fee, you must register with the Universal Service Fund Administrator if you have not done so already.

In connection with our attempts to ascertain that Compass Global has complied with the Commission's registration requirements, you are directed to provide specific information about your company by accessing our website through the link provided below. You must provide your company's name, address, contact person, telephone number, FAX number, and e-mail address. In addition, you must list the number of years Compass Global has been providing interstate telecommunications services and the types of telecommunications services Compass Global provides. Finally you must provide Compass Global's Form 499-A Filer ID number that Compass Global received upon its submission of registration information, the date of registration, and, if different from company name, the registration name. If your company is not required to file the FCC Form 499-A for registration purposes, you should explain why it is not required to do so. Failure to provide the requested information, including without limitation a Form 499-A Filer ID number, date of registration, or detailed explanation why Compass Global is not required to file registration information may subject Compass Global to enforcement action.

You are directed to provide this information on the Commission's web site at <http://www.fcc.gov/eb/RRF/>. Please access the template provided on the web site and enter the information in the appropriate spaces. Please note that you must also enter the Reference Number shown at the top of this letter in the template. If you are unable to provide a response using our web site, please send the information by U.S. Postal Service to Joseph Watts, Room 4-C421, 445 12th Street, S.W., Washington, D.C. 20554. The information must be input via the website or be delivered to the listed address no later than 5:00 PM Eastern Standard Time Friday, June 23, 2006.

This letter is issued pursuant to 47 U.S.C. §§ 4(i), 4(j), 201, 211, 215, 218, 220, and 403 of the Communications Act of 1934, as amended ("the Act"). To knowingly and willingly make any false statement or conceal any material fact in reply to our data request is punishable by fine or imprisonment. See 18 U.S.C. § 1001; *see also* 47 C.F.R. § 1.17. Failure to respond fully to an Enforcement Bureau letter constitutes a violation of the Communications Act of 1934, as amended ("the Act") and the FCC's rules and may subject Compass Global to enforcement action. *See SBC Communications, Inc.*, Order of Forfeiture, 17 FCC Red 7589 (2002); *Globcom Inc.*, Notice of Apparent Liability, 18 FCC Red 19893, at n. 36 (2003); *BigZoo.Com Corporation*, Order of Forfeiture, 20 FCC Red 3954 (Enf. In your previous email dated 8/15/06 You had requested for an extension up to 8/25/06 to fill FCC Form 499a. But till today we have not received a copy of the same from either you or your outside advisors. I cannot keep on granting you more extensions, and if I do not get a copy of FCC Form 499a by the September 5 2006, I will forward you case to our legal department for non-cooperation and non-compliance of FCC Rules. It is very urgent that you contact me as soon as possible.

Thanks Sincerely,
Nand Gupta
