Re: WC Docket No. 10-90: Submission of Notice of Ex Parte Presentation

Dear Ms. Dortch:

On November 17, 2015, I met with Ms. Carol Mattey of the Wireline Competition Bureau on behalf of the Nebraska Companies regarding the reform of rate-of-return universal service. I stressed the importance of directing additional model support to those areas that are less built out and to high cost areas where broadband would not be deployed absent universal service funding.

This letter is being filed pursuant to Section 1.1206(b) of the Commission’s rules.

Sincerely,

Cheryl L. Parrino
