Dear Ms. Dortch:

On November 17, 2015, Doug Eidahl, Dusty Johnson and Heath Koth OF VPS participated in a teleconference with Katie King and Alex Minard of the FCC’s Wireline Competition Bureau (WCB). We discussed the Alternative Connect America Cost Model (A-CAM) and its use of 477 data and how that data is used in recent illustrative runs of the A-CAM, especially for the ILECs that also used fixed wireless technologies to reach remote customers in their study areas.

Respectfully Submitted,

Doug Eidahl
