Dear Ms. Dortch:

EIBASS agrees with the December 17, 2012, filing by Intelsat Corporation, requesting additional time for comments to the IB Docket 12-267 Notice of Proposed Rulemaking concerning a comprehensive review of the Part 25 Satellite Communications rules.

A two-week extension of the comment deadline, from December 24, 2012, to January 14, 2013, would be appropriate.

Respectfully,

/s/ Dane E. Ericksen /s/ Richard A. Rudman
