cc: Best Copy and Printing
The undersigned, Bruce A. Henoch, Vice President and General Counsel of Stratos Offshore Services Company ("Stratos"), hereby declares and certifies in accordance with the requirements of the Federal Communications Commission, that:

1. For the Fourth Quarter of 2014, Stratos reports that it did not carry or generate revenue from intrastate, interstate, or international prepaid calling card services as defined by the Commission.

2. No prepaid calling card revenues for the Fourth Quarter of 2014 are therefore subject to Universal Service Fund assessment for such period; and

3. Stratos has provided the required information (i.e., prepaid calling card percentages of interstate use factors, and call volumes from which these factors were calculated, based on not less than one day’s representative sample) to those carriers from which Stratos purchases originating and terminating transport services for its prepaid calling card traffic.

4. Please note that as of December 31, 2014, Stratos Offshore Services Company has been merged into Inmarsat Mobile Networks, Inc and will cease to exist. As such, this Fourth Quarter 2014 report shall be the last report submitted for Stratos Offshore Services Company.

To my knowledge and belief, the foregoing statements are true.

Prepaid Calling Card Certification of Compliance By
INMARSAT SOLUTIONS (US) INC.
AND
INMARSAT MOBILE NETWORKS, INC.
4th Quarter 2014

The undersigned, Bruce A. Henoch, Vice President and General Counsel of Inmarsat Solutions (US) Inc., and Inmarsat Mobile Networks Inc. (together, “Inmarsat”), hereby declares and certifies in accordance with the requirements of the Federal Communications Commission, that:

1. For the Fourth Quarter of 2014, Inmarsat reports that its prepaid calling card minutes were broken down by the following percentages: 0.6619% international, 0% interstate, 0% intrastate, and 99.3381% originating and terminating outside of the United States.

2. For the Fourth Quarter of 2014, 0.6619% of Inmarsat’s calling card revenue is international, 0% is interstate, and 0% is intrastate. The remainder of Inmarsat’s prepaid calling card revenue is for traffic originating and terminating outside of the United States.

3. Inmarsat will be making the required Universal Service Fund contribution based on the above-reported information; and

4. Inmarsat has provided the required information (i.e. prepaid calling card percentages of interstate use factors, and call volumes from which these factors were calculated, based on not less than one day’s representative sample) to those carriers from which Inmarsat purchases originating and terminating transport services for its prepaid calling card traffic.

To my knowledge and belief, the foregoing statements are true.
