Re: Notice of Oral Ex Parte Communication

Application of AT&T, Inc. and DIRECTV for Consent to Assign Licenses or Transfer Control of Licenses, MB Docket No. 14-90

Dear Ms. Dortch:

This is to inform you that, on July 23, 2015, I spoke by telephone with Joel Rabinovitz of the Commission’s Office of General Counsel to discuss certain confidential materials submitted by DIRECTV in the above referenced proceeding. As a result of that call, DIRECTV hereby confirms that it no longer claims confidentiality with respect to the following items:

1. The number of video channels for which DIRECTV has carriage contracts.

3. The second sentence of the first paragraph of page 21 of the paper entitled “Why the ‘Double Moral Hazard’ Problem Cannot Be Resolved by Contract” (November 12, 2014).

4. The second sentence of paragraph 36 in the Declaration of Michael Katz (June 11, 2014).

5. The general statement that DIRECTV has attempted to differentiate itself by emphasizing its exclusive programming arrangements and consumer upgrades.

6. The general statement that DIRECTV does not currently have a two-way connection to all of its subscribers.
Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

/s/ William M. Wiltshire
