Re: REQUEST FOR CONFIDENTIAL TREATMENT
Leaco Rural Telephone Cooperative, Inc., FCC Form 690 Annual Report, WT Docket No. 10-208

Dear Ms. Dortch:

Enclosed for filing are two copies of the redacted, public version of the Leaco Rural Telephone Cooperative, Inc. ("Leaco") 2015 Mobility Fund Phase I Annual Report ("Form 690") for Study Area Code ("SAC") 498001, census tract T35005001102. This redacted version of the Form 690 is also being filed electronically with the Federal Communications Commission ("FCC" or "Commission") via ECFS. The confidential version of the Form 690 is being filed today under separate cover.

Pursuant to 47 C.F.R. §§ 0.457 and 0.459 of the Commission's Rules, Leaco hereby requests that the Commission afford confidential treatment to and withhold from public inspection certain information included in and attachments to the confidential version of Leaco's Form 690, consistent with and pursuant to the confidential treatment provided in the
Commission’s Third Protective Order in the above referenced docket,\(^1\) and in accordance with the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552. Specifically, Leaco requests that the Commission afford confidential treatment to the following Form 690 information and attachments: Coverage and Performance Report, Project Status Description, and Shapefile Exhibit, which provide detailed information about the deployment of Leaco’s competitive wireless telecommunications networks and related business plans (the "Confidential Information"). Leaco’s Confidential Information meets the requirements for confidential treatment contained in the Commission’s rules.\(^2\)

Each page of the confidential version of the Form 690, Coverage and Performance Report, Project Status Description, and Shapefile Exhibit is marked “CONFIDENTIAL INFORMATION – SUBJECT TO PROTECTIVE ORDER IN WC DOCKET NOS. 10-90, 07-135, 05-337, 03-109, GN DOCKET NO. 09-51, CC DOCKET NOS. 01-92, 96-45, WT DOCKET NO. 10-208 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION.” Where confidential information is included, the relevant portions of the text are marked “[BEGIN CONFIDENTIAL] [END CONFIDENTIAL].”

Each page of the redacted version of the Form 690 is marked “REDACTED FOR PUBLIC INSPECTION -- SUBJECT TO PROTECTIVE ORDER IN WC DOCKET NOS. 10-90, 07-135, 05-337, 03-109, GN DOCKET NO. 09-51, CC DOCKET NOS. 01-92, 96-45, WT DOCKET NO. 10-208 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION.” Where confidential information has been removed, the relevant portions of the text is marked “[REDACTED].” The entire contents of the attachments to the Form 690, specifically the Coverage and Performance Report, Project Status Description, and Shapefile Exhibit, are confidential information and are wholly redacted in the redacted version.

Leaco submits the following information pursuant to Section 0.459 of the Commission’s Rules:

(1) **Identification of the specific information for which confidential treatment is sought.**

Leaco seeks confidential treatment of the Confidential Information, which provides details about Leaco’s network deployment and related business plans. This information is competitively sensitive commercial and financial information and constitutes “confidential

---

\(^2\) See 47 C.F.R. § 0.459.
commercial information” under Exemption 4 of the FOIA, 47 U.S.C. § 552(b)(4).
Accordingly, pursuant to Section 0.459(a) of the Commission’s Rules, Leaco requests that
such information not be made routinely available for public inspection.

(2) Identification of the Commission proceeding in which the information
was submitted or a description of the circumstances giving rise to the submission.

The information is being provided to the Commission as part of the required annual
report for Mobility Fund Phase I support through the Form 690.

(3) Explanation of the degree to which the information is commercial or
financial, or contains a trade secret or is privileged.

As noted above, the information contains competitively sensitive financial and
commercial information. Competitors could use this information to gain an unfair
competitive advantage.

(4) Explanation of the degree to which the information concerns a service
that is subject to competition.

The confidential information being provided to the Commission involves
telecommunications services provided by Leaco in competition with other carriers. Leaco is
a provider of mobile broadband and voice services in a highly competitive industry. Leaco
competes against other providers of broadband and voice services, including mobile services
providers, incumbent local exchange carriers, as well as other competitive carriers. The
presence of such competition and the likelihood of competitive injury threatened by release
of the information provided by Leaco in connection with the Form 690 justify withholding
the information from public disclosure.

(5) Explanation of how disclosure of the information could result in
substantial competitive harm.

Competitors could use the disclosed information to gain an unfair advantage over
Leaco. Specifically, competitors could use this information to learn of Leaco’s network
deployment and gauge the success of Leaco’s marketing efforts and service packages,
allowing competitors to adjust their marketing and pricing accordingly, to the detriment of
Leaco. Competitors also could gain information regarding the performance of Leaco’s
mobile broadband and voice networks. Commission precedent has clearly found this type of
information to be competitively sensitive and withholdable under the FOIA exceptions.
Specifically, the Commission has recognized that competitive harm can result from the
Disclosure of confidential business information that gives competitors insight into a company’s costs, pricing plans, market strategies, and customers.

(6) **Identification of any measures taken by the submitting party to prevent unauthorized disclosure.**

Leaco has diligently prevented the unauthorized disclosure of the information, and has kept such information confidential within the company unless otherwise required to be disclosed pursuant to applicable governmental regulations.

(7) **Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties.**

The information has been disclosed to vendors who are subject to non-disclosure obligations and will be filed with the New Mexico Public Regulation Commission pursuant to the Commission’s requirements for filing the Form 690. The Confidential Information will be filed confidentially with the New Mexico Public Regulation Commission.

(8) **Justification of the period during which the submitting party asserts that material should not be available for public disclosure.**

The information regarding Leaco’s commercial network deployment information and related business plans must be kept confidential until the public announcement of such information. Confidential treatment must be afforded for this information as long as it would provide a basis for Leaco’s competitors to gain insight into Leaco’s business operations. At this time, Leaco cannot determine the exact date on which the information could no longer be used by competitors to Leaco’s detriment.
CONCLUSION

For the above reasons, Leaco respectfully requests that the Commission withhold from public disclosure the proprietary commercial and financial information contained in the Confidential Information in the confidential version of the Form 690. In accordance with Section 0.459(g) of the Commission's rules, Leaco requests telephone and written notification from the Commission if the instant request is denied, so that it may file an Application for Review or request return of the confidential materials pursuant to Section 0.459(e).

Respectfully submitted,

[Signature]
