Ex Parte Conversation about Lifeline, WC Docket No. 11-42, and Educational Broadband Service (EBS), WT Docket No. 03-66.

Dear Ms. Dortch:

On November 05, 2015, Zach Leverenz, Chief Executive Officer, and Chike Aguh, Chief Programs Officer, both of EveryoneOn, met with John Schauble, Jay Schwarz, Sean Conway, Ryan Palmer, Trent Harkrader, Eric Feigenbaum, Stephanie Weiner, Jonathan Chambers and Gigi Sohn, all of the FCC.

In the meeting, Mr. Leverenz and Mr. Aguh presented on two topics: (1) Lifeline and (2) Educational Broadband Service (EBS).

In reference to Lifeline, we presented information about our experience with practitioners and what incentives that could be crafted for Internet Service Providers (ISPs) to encourage greater participation in Lifeline.

On EBS, we discussed how to gain the maximum public benefit from EBS and how to maximum compliance within the current EBS system.

In the coming weeks, EveryoneOn plans to submit clear recommendations around improving the transparency and effectiveness of EBS rules.

Pursuant to Section 1.1206 of the Commission’s rules, this ex parte letter is being filed via ECFS in WT Docket No. 03-66 and WC Docket No. 11-42.

Respectfully submitted,

Zach Leverenz
Chike Aguh
