Re: In the matter of Use of Spectrum Bands Above 24 GHz for Mobile Radio Services, GN Docket No. 14-177

Dear Ms. Dortsch,

On August 5, 2015, representatives of Intel Corporation ("Intel") met with various Commission staff to discuss our policy and technical recommendations in the above Notice of Inquiry (NOI) for millimeter wavelength operations above 24 GHz. From Intel, Reza Arefi (in person) and Ken Stewart and Dave Horne (by phone) attended the meeting. In attendance from the Commission: Michael Ha, Karen Rackley, Anh Wride, Martin Doczkat, Bahman Badipour, from OET; Brian Regan, John Schauble, Matthew Pearl, Stephen Buenzow, Tim Hilfiger, Charles Oliver, from WTB; and Michael Mullinix, Sean O’More, from IB.

During the meeting, the Intel representatives reviewed the white paper and presentation attached to this ex parte submission. The table of contents of the white paper summarizes the points discussed during the meeting.

While this NOI is an exempt proceeding under 47 CFR § 1.1204(b), Intel is voluntarily submitting the aforementioned materials into the record.

Respectfully submitted,

/s/ Dave Horne
