RE: Satellite radio service for Puerto Rico, FCC MB Docket No. 07-57

Dear Mr. Donnelly:

Congratulations on the recent merge of Sirius and XM. We hope that the merger allows you to offer your clients a higher quality satellite radio service at accessible prices.

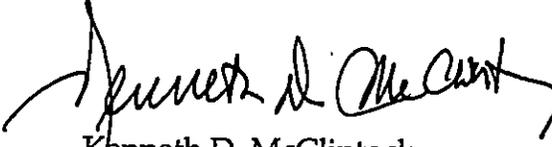

According to paragraph 147, page 68, of the *Memorandum Opinion and Order and Report and Order*, (MB Docket No. 07-57), adopted on July 25<sup>th</sup>, 2008 by the FCC, you voluntarily committed to file applications with the FCC to provide satellite radio service to Puerto Rico within three months after the merger. As the deadline for submitting the applications is fast approaching, my office is available to assist in guiding you through our local bureaucracy.
