**RE: Request for Extension of Time for Comment on Applications of Comcast Corp., and NBC Universal, Inc., to Assign and transfer Control of Licenses, MB Docket No. 10-56**

Dear Ms. Dortch:

The Writers Guild of America, West (WGAW) submits this letter in support of Media Access Project's (MAP) request for a 45 day extension to file petitions and comments in the above-captioned matter. The scale of the proposed transaction raises significant issues in multiple markets, and given the importance of this transaction and its potential impact, we agree with MAP that additional time for interested parties' analysis is appropriate. The Commission's requirement that parties raise all applicable issues in the initial filing necessitates additional time. The WGAW encourages the Commission to grant the extension and establish filing deadlines consistent with MAP's request.

Thank you for your attention and consideration of this request.

Sincerely,
