**EX PARTE PRESENTATION**

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554

Re: Ex Parte Presentation in MB Docket No. 10-56, *Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. For Consent to Assign Licenses or Transfer Control of Licensees*; GN Docket No. 10-127, *Framework for Broadband Internet Service*; GN Docket No. 09-191, *Preserving the Open Internet*.

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network ("DISH") submits this letter summarizing three separate meetings on Wednesday, June 23, 2010 with Joshua Cinelli, Legal Advisor to Commissioner Copps; with Rosemary Harold, Legal Advisor to Commissioner McDowell; and with Louis Peraertz, Acting Legal Advisor to Commissioner Clyburn.

During the meeting, we discussed potential harms that could result from the combination of Comcast and NBCU. In particular, we discussed how the emerging online video marketplace could be harmed because the combined entity would have the incentive and ability to selectively degrade or block competitors' video content and/or offer favorable pricing or bundling that discriminates against competing video services.

We also communicated DISH's strong support for Chairman Genachowski's plan in the recently released *Notice of Inquiry* in GN Docket No. 10-127 to resolve legal uncertainty by pursuing the so-called "third way" strategy of classifying broadband Internet access service under Title II of the Communications Act, with forbearance from all but those statutory provisions necessary to carry out the Commission's policy goals. We also reiterated our support for promulgation of the proposed Open Internet rules, once the Commission resolves its legal authority over broadband.

Respectfully submitted,

/s/ Alison Minea
