WC Docket No. 07-52

Dear Ms. Dortch:

On July 22, 2010, John Shehan, Executive Director of the Exploited Children Division of the National Center for Missing & Exploited Children (NCMEC), and the undersigned, met with David Tannenbaum, Special Counsel of the Office of General Counsel of the Commission, to discuss matters related to the above-referenced proceedings.

In the course of our meeting, I described NCMEC's efforts to reduce the proliferation of child pornography online, including our voluntary initiatives with electronic communication service providers. We also discussed the global nature of the Internet, the technologies used to distribute child pornography and the various approaches currently being taken in other countries to prevent users from accessing such images.

Should you have any questions, please do not hesitate to contact the undersigned.

Respectfully submitted,

/s/
