Re: Notice of Ex Parte Presentation – MB Dkt. 10-56, *Application of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licenses*

Dear Ms. Dortch:

Attached please find the *Supplemental Report of Professor Simon J. Wilkie* (“*Supplemental Report*”), which contains a *Technical Addendum to the Wilkie Report* (filed June 21, 2010). In this *Supplemental Report*, Professor Wilkie shows that in addition to harming the development of online video, the proposed merger will also increase the price of standalone broadband access to consumers.

Pursuant to the Commission’s rules, one copy of this *Supplemental Report* is being filed electronically in the above-referenced dockets for inclusion in the public record. Please do not hesitate to contact me directly if you have any questions.

Respectfully submitted,

Jennifer P. Bagg
