Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56*

Dear Ms. Dortch:

On October 21, 2010, Margaret Tobey, Vice President, Regulatory Affairs, NBC Universal, Inc. and Rudy Brioché, Senior Director, External Affairs & Public Policy Counsel, and the undersigned of Comcast Corporation met with Eloise Gore, Acting Media Legal Advisor, Dave Grimaldi, Chief of Staff and Media Legal Advisor, Angie Kronenberg, Acting Wireline Legal Advisor, and Alexander Reynolds, all of Commissioner Clyburn's staff, about the above-referenced proceeding. We discussed the public interest benefits of the transaction, and the commitments made by the Applicants as explained in our previously filed submissions in the above-referenced proceeding. We further described the agreements that Comcast has reached with third parties, which have been filed in this docket. In particular, we explained Comcast's efforts in relation to independent programming and efforts to enhance diversity in five focus areas: workforce recruitment and career development, procurement, programming, community investment and partnerships, and governance.

Kindly direct any questions regarding this matter to my attention.

Respectfully submitted,

/s/ Jordan Goldstein
