Re: Notice of Oral *Ex Parte* Presentation
MB Docket No. 10-56 (Comcast-NBC acquisition)

Dear Ms. Dortch,

On November 2, 2010, I met with David Grimaldi, Angela Kronenberg, and Louis Peraertz of Commissioner Mignon Clyburn's office. I expressed my concerns regarding the proposed transaction between Comcast Corporation, General Electric Company, and NBC Universal, Inc.

Consistent with the documents filed in this docket, I discussed Consumers Union's concerns with the proposed transaction. Specifically, I expressed concern over the impact the transaction would have on competition, choice, and prices. I noted that the record indicated that the transaction would lead to higher cable and broadband prices. I also noted the record indicated that the transaction would also have a negative impact on the developing on-line video market. Finally, I noted that, pursuant to Section 310(d) of the Communications Act, the Commission has a specific and statutory duty to ensure that the transfer of the broadcast licenses is in the public interest.

Pursuant to Section 1.1206(b) of the Commission's rules, 47 C.F.R. §1.1206(b), this letter is being filed electronically with your office today.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Parul P. Desai".
