Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56*

Dear Ms. Dortch:

On November 29, 2010, Kathy Zachem, Vice President, Regulatory and State Legislative Affairs, Comcast Corporation; Rick Cotton, Executive Vice President and General Counsel, NBC Universal, Inc.; James Casserly, Willkie Farr & Gallagher LLP; and the undersigned met via conference call with John Flynn, Senior Counsel to the Chairman for Transactions. We described the prevalent industry-wide practice of creating “windows” for the distribution of video content. We also emphasized that the Commission should take such windows into consideration in fashioning any conditions adopted in connection with the proposed transaction.

Kindly direct any questions regarding this matter to my attention.

Respectfully submitted,

Michael H. Hammer
