Dear Ms. Dortch:

On November 29, 2010, representatives from Comcast Corporation and NBC Universal (collectively, "Applicants") participated in three telephone calls with Commission staff regarding issues in the above-captioned proceeding: (1) Margaret Tobey, Vice President, Regulatory Affairs, NBC Universal, Inc., and the undersigned of Comcast Corporation participated in a telephone call with William Freedman, Associate Bureau Chief, Media Bureau, and Steven Waldman, Senior Advisor to the Chairman, Office of Strategic Planning; (2) Jim Coltharp, Chief Policy Advisor, FCC & Regulatory Policy at Comcast Corporation, Ryan Wallach of Willkie Farr & Gallagher LLP, and the undersigned participated in a telephone call with Holly Saurer, Attorney Advisor at the Media Bureau; and (3) Ryan Wallach and the undersigned participated in a telephone call with William Freedman, Associate Bureau Chief, Media Bureau, and Holly Saurer, Attorney Advisor in the Media Bureau.

During these calls, Applicants discussed issues raised in the proceeding and the public interest benefits of the transaction relating to children's programming, parental controls, advertising, and localism, and the ways in which the post-transaction company can advance the Commission's goals in this regard. The parties also discussed improvements being made to legacy set-top boxes with respect to parental control capabilities. In addition, the Applicants provided further information as a follow-up to a meeting on November 23, 2010 on NBCU's relationship with voicesofsandiego.org and ways to further encourage such cooperative arrangements with locally-focused non-profit news organizations.

Please contact me should you have any questions regarding this matter.

Respectfully submitted,

/s/ Jordan Goldstein
