Re: Ex Parte Presentation in MB Docket No. 10-56, *Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. For Consent to Assign Licenses or Transfer Control of Licensees*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, DISH Network ("DISH") submits this letter summarizing its meeting on December 7, 2010 with Edward Lazarus, Rick Kaplan, Paul de Sa, and John Flynn. Present at the meeting on behalf of DISH were Tom Cullen, Executive Vice President of Sales, Marketing, and Programming; Jeff Blum, Senior Vice President and Deputy General Counsel; and Alison Minea, Corporate Counsel.

During the meeting, we discussed potential harms to traditional and online video competition that would result from the combination of Comcast and NBCU. In particular, we emphasized that strong conditions on the merger will be necessary to prevent Comcast from abusing its control of the broadband pipe to harm competition from both traditional pay-TV providers and from emerging online video providers. We also noted that the unprecedented concentration of "must-have" content within a single integrated company poses grave threats to the ability of competing multichannel video programming distributors ("MVPDs") to obtain rights to critical content on fair prices, terms and conditions.

Respectfully submitted,

/s/ Alison Minea
