RE: In the Matter Applications of Comcast Corporation, General Electric Company, and NBC Universal, Inc. to Assign and Transfer Control of FCC Licenses, MB Docket No. 10-56; Notice of Ex Parte Communications

Dear Ms. Dortch:

On December 21, 2010, I had a telephonic communication with Mr. John Flynn, Sr. Counsel of Transactions, Office of General Counsel of the FCC to discuss the above referenced proceeding.

During this telephonic conversation, Mr. Flynn and I discussed the ARRIS – Comcast business relationship and in general, Comcast’s business relationship with its other suppliers. We also broadly discussed Comcast’s position in the cable industry as a leader in investment and innovation plus its commitment to improvement in the end user experience.

I re-iterated our position in favor of the license transfer which we stated to the Commission in our June 21, 2010 Comment to the Commission.

Pursuant to Section 1.1206(b) of the Commission’s Rules, one copy of this ex parte notice is being filed electronically for inclusion in the record of the above-referenced proceeding. Should any questions arise concerning this notice, please communicate with ARRIS’ EVP and General Counsel, Larry Margolis.

Regards,
