RE: Notice of Oral *Ex Parte* Presentation  
Docket 10-56

Dear Ms. Dortch:

This letter is submitted pursuant to Section 1.1206(b) of the Commission's rules.

On December 21, 2010, the undersigned had a brief telephone conversation with John Flynn, Senior Counsel to the Chairman for Transactions with respect to the Commission's review of the Comcast/NBCU transaction. I repeated a previous inquiry as to whether the staff has reviewed documents responsive to the Media Bureau's requests for information and discovery which were provided, not to the Commission, but to the Department of Justice. Mr. Flynn responded that the Commission staff has access to documents which have been submitted to the Department of Justice and that it is aware of its obligation to insure that the Commission's record reflects documents upon which the Commission has relied in its review of the pending applications.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Andrew Jay Schwartzman".
