**Re: American Cable Association (“ACA”) Notice of Ex Parte Presentation; *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licenses*; MB Docket No. 10-56.**

Dear Ms. Dortch:

On January 12, 2011, Ross Lieberman, ACA, and the undersigned had a phone conversation with Rosemary Harold, legal advisor to Commissioner Robert McDowell, in regard to the above-referenced docket. Mr. Lieberman discussed the inadequacies of the conditions proposed by the Chairman to mitigate harms to smaller multichannel video programming distributors (MVPDs) from the proposed combination of Comcast and NBC Universal. He then discussed specific amendments to these conditions to ensure they would work effectively for smaller MVPDs. The views expressed were consistent with ACA’s past *ex parte* filings.

This letter is being filed electronically pursuant to section 1.1206 of the Commission’s rules.

Sincerely,

Thomas Cohen
