Re: Notice of *Ex Parte* Presentation: *Applications of AT&T and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations*, WT Docket No. 11-65  
**REDACTED – FOR PUBLIC INSPECTION**

Dear Ms. Dortch:

On June 1, 2011, Alexander Sistla and Jennifer Mellott of Cleary Gottlieb Stein & Hamilton LLP and Eric DeSilva, Mark Sweet, and the undersigned of Wiley Rein LLP, on behalf of Deutsche Telekom and T-Mobile USA, met with the following individuals at the Commission regarding the above-captioned proceeding: Patrick DeGraba, Paul Murray, Nese Guendelsberger, Susan Singer, Kathy Harris, Ziad Sleem and Kate Matraves of the Wireless Telecommunications Bureau; Neil Dellar, Virginia Metallo and Joel Rabinovitz of the Office of General Counsel; and Paul LaFontaine of the Office of Strategic Planning and Policy Analysis. We discussed the parameters of the Commission's Information Request issued to Deutsche Telekom.<sup>1</sup>

In the meeting, we discussed the scope of specifications related to network issues, pricing, customers, devices, etc. and received confirmation that they extend only to T-Mobile USA and not to Deutsche Telekom or any other Deutsche Telekom subsidiaries. We also discussed the relevant document custodians for the various specifications requiring the submission of documents. To facilitate that discussion, we provided the staff with the attached organizational chart of T-Mobile, the list of custodians for the DOJ second request, as well as a list of custodians for certain specifications of the FCC request, which are provided in

accordance with the *Protective Order*<sup>2</sup> in this proceeding. Finally, we sought clarification on how to respond to specifications that appear to be directed to the merged company and specifications where the only responsive documents are privileged.
