Re: WT Docket No. 11-18

Dear Ms. Dortch:

QUALCOMM Incorporated (“QUALCOMM”), by its attorneys, hereby submits its second partial response (“Second Partial Response”) to the Federal Communications Commission’s (“FCC”) May 20, 2011, General Information Request Regarding the AT&T/QUALCOMM Transaction in the above-referenced proceeding (“Request”), pursuant to the First and Second Protective Orders (“Protective Orders”) entered in this proceeding.<sup>1</sup> This Second Partial Response supplements QUALCOMM’s Partial Response submitted on June 10, 2011 (“Partial Response”).

This Second Partial Response reflects communications QUALCOMM had with FCC staff concerning the manner in which QUALCOMM proposed to reply to the Request. These communications concerned QUALCOMM’s understanding of the questions, definitions, and instructions in the Request, the manner in which QUALCOMM keeps the data requested, and the manner in which QUALCOMM searched for and produced this data. These discussions related to and are reflected in the documents provided in this Second Partial Response.

QUALCOMM has taken reasonable efforts to search for, identify, and produce documents and information responsive to the Request and to otherwise respond to the Request consistent with the breadth of the Request and the period of time provided for response. The documents provided in this Second Partial Response are those maintained in the ordinary course of QUALCOMM’s business. The documents provided in this Second Partial Response were collected using the process described in CONFIDENTIAL Exhibit 1 and CONFIDENTIAL Attachments A and B to Exhibit 1.
