RE: Request for Information Concerning Applications of
AT&T Inc. and Deutsche Telekom AG for Consent To
Transfer Control of the Licenses and Authorizations
Held by T-Mobile USA, Inc. and Its Subsidiaries (WT
Docket No. 11-65)
Supplemental Response to Information Request

Dear Ms. Dortch:

Sprint Nextel Corporation ("Sprint") submits this supplemental response to the Commission's Information Request in the above-cited matter.¹ Certain of these responses include some of Sprint's most sensitive business information, the disclosure of which would have a serious negative effect on Sprint's business and would place Sprint at a significant competitive disadvantage. The

¹ *Applications of AT&T Inc. and Deutsche Telekom AG for Consent To Transfer Control of the Licenses and Authorizations Held by T-Mobile USA, Inc. and Its Subsidiaries* (WT Docket No. 11-65), Letter from Ruth Milkman, Chief, Wireless Telecommunications Bureau, to Lawrence R. Krevor and Regina M. Keeney, June 6, 2011 (the "Information Request").

Handwritten: 0+2
Stamp: 06/29/11

Commission has granted Sprint's request to treat such sensitive information as "Highly Confidential" pursuant to the Second Protective Order in this docket.²

Sprint's responses to the Commission's requests are as follows.

- 1 *Provide, as of the date of this Request, maps by bands of the geographic coverage of each relevant service provided by the Company, distinguishing by technological format (e.g., GSM, EDGE, UMTS, HSPA, HSPA+, and LTE, CDMA, EV-DO, EV-DO Rev. A). Provide coverage maps for a -95 and -85 dBm signal level or better for each of the relevant services provided by the Company. Provide the maps in a geo-referenced format, such as a shapefile (for ArcMap) or table (for Mapinfo).*

Maps were submitted on CD-ROM on June 23, 2011.

- 2 *Provide all plans, analyses, and reports from June 1, 2010 to the present discussing plans for future network deployment.*

Submitted on the portable hard drive accompanying this letter. Sprint's response to Request No. 2 contains HIGHLY CONFIDENTIAL INFORMATION.

- 3 *Provide a list, as of the date of this Request, by CMA, of the cell sites owned or shared by the Company (a) the percentage of cell sites collocated each with AT&T and T-Mobile; and (b) the percentage of backhaul facilities co-owned or shared each with AT&T and T-Mobile.*

Sprint submitted its response to this request on June 23, 2011.

- 4 *Provide the Company's price lists as of the date of this Request. Provide a description of each plan, including all terms and conditions.*

Sprint submitted its response to this request on June 23, 2011.

- 5 *Describe and provide from January 1, 2010 to the present, all plans, analyses, and reports discussing any potential or actual acquisition, divestiture, joint venture,*

² *Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations, WT Dkt No. 11-65, Second Protective Order (Revised), DA 11-1100 (rel. June 22, 2011).*

alliance, or merger of any kind by the Company involving the provision or sale of any relevant product, or any relevant service.

Submitted on the portable hard drive accompanying this letter. Sprint's response to Request No. 5 contains HIGHLY CONFIDENTIAL INFORMATION.

6. *Discuss whether your Company faces network spectrum and capacity constraints: within the next year; within the next three years; and within the next five years. Provide for January 1, 2010 to the present all plans, analyses, and reports discussing spectrum and capacity constraints. Identify resolutions the Company considered or is considering to solve any constraints in capacity or to increase capacity to provide any relevant service in any relevant area, including, but not limited to:*
 - a. *acquiring new spectrum;*
 - b. *plans to increase network capacity using existing spectrum, such as by adding cell sites or additional backhaul;*
 - c. *repurposing spectrum, including the transition of subscribers from the repurposed spectrum; and*
 - d. *alternative solutions to any spectrum constraint problems, including upgrading network or customer equipment, or changing prices.*

Sprint submitted its response to this request on June 23, 2011.

7. *For January 1, 2010 to the present, provide all plans, analyses, and reports discussing how the Company views mobile wireless services or products offered by other mobile wireless service providers (including, for example, views about relative competitive position, attitude of current or potential customers, network/service quality, marketing decisions, and device availability).*

Submitted on the portable hard drive accompanying this letter. Sprint's response to Request No. 7 contains HIGHLY CONFIDENTIAL INFORMATION.

8. *Provide the Company's billing data, including data on plans, subscribers, and additions, as specified in Attachment A.*
9. *Provide data for the Company's number of subscribers as specified in Attachment B.*

Sprint has asked for clarification with regard to the combination of features that the Commission would like it to use in defining the unique "wireless plans" for the data that is to populate Attachments A and B. Additionally, the Commission requested that Sprint tabulate data responsive to these requests according to Cellular Market

Areas (“CMAs”), even though Sprint does not use CMAs in its normal course of business recordkeeping. Commission staff notified Sprint that it would provide tables upon which Sprint may rely in converting U.S. Postal Service ZIP codes to CMAs and converting NPA/NXX codes to CMAs. Upon receipt of this clarification regarding plans and the conversion tables, Sprint will prepare its response to requests Nos. 8 and 9.

Sprint’s privilege log is also included on the accompanying hard drive. It contains **HIGHLY CONFIDENTIAL INFORMATION**.

Please let us know if you have any questions regarding the information submitted today.

Sincerely,
