Re: *Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations*, WT Docket No. 11-65

Dear Ms. Dortch:

Upon further review of the documents produced to the Commission in this matter, we have determined that six privileged and/or work product documents were inadvertently produced to the Commission as identified by the following beginning Bates numbers: FCC-ATT-00015099, ATTF-TMO-00130827, ATTF-TMO-00130828 (attachment to ATTF-TMO-00130827), ATTF-TMO-0137312, ATTF-TMO-0137313, ATTF-TMO-0137314. We are therefore withdrawing these documents from the production and will update the privilege log to set forth the basis for AT&T's claim of privilege for each of these documents.

In light of this, we ask that you promptly destroy any hard copies of such documents and delete these documents from all document databases and/or hard drives. Furthermore, we ask that you destroy any notes or work product that you may have generated based, in whole or in part, on these privileged documents.

We apologize for any inconvenience this may have caused. Let us know if you have any questions.

Sincerely,

/s/

Randal M. Shaheen
