Re: *Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations*, WT Docket No. 11-65

Dear Ms. Dortch:

This letter and the enclosed document respond to the Wireless Telecommunications Bureau's request that Verizon Wireless submit a list of Verizon Wireless cell sites and their locations in the above-referenced docket. The enclosed document is being provided in accordance with the *Second Protective Order (Revised)* issued by the Wireless Telecommunications Bureau (the "Bureau") on June 22¹ and the *Revised Attachment A* to the *Second Protective Order (Revised)* issued on July 19.² As FCC staff confirmed, the document provides "detailed or granular engineering capacity information or information about specific facilities, including collocation sites, cell sites, maps of network facilities, or information about the backhaul provider to a site,"³ and therefore has been designated as "Highly Confidential" and marked as such. Please contact the undersigned with any questions.

Sincerely,

John T. Scott, III
Vice President and Deputy General Counsel

Enclosure (redacted)
