Notice of Oral *Ex Parte* Communication

RE: *Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses and Authorizations: WT Docket No. 11-65*

Dear Ms. Dortch:

On Sept. 12, 2011, on behalf of Clearwire Corporation and Trilogy International, John Stanton, Chairman of Clearwire's Board of Directors and Chief Executive Officer of Trilogy met with FCC Chairman Julius Genachowski and Chief of Staff Edward Lazarus.

During the meeting, the participants generally discussed Clearwire's successful rollout of its 4G WiMAX network in major markets across the country and its publicly announced plans for deploying a TDD LTE overlay network, pending available funding. Mr. Stanton explained that Clearwire is in a critical phase of its business as it positions itself primarily as a wholesale carrier capable of meeting the needs of other service providers striving to meet the escalating capacity demands of mobile wireless customers. He stated that as a wholesale provider, Clearwire's presence in the market promotes a more robust retail market and efficient use of spectrum by providing network capacity for large and small carriers, both national and regional. He stated that the ramifications to the wholesale and device markets of the merger of T-Mobile with AT&T must be carefully considered and properly mitigated before the transaction is approved. He stated that the removal of T-Mobile, one of the largest prospective wholesale customers, may have wide ranging implications for the wholesale and device markets, the companies participating in those markets, innovation and customers. Clearwire believes that the Commission should ensure that these concerns are fully addressed in its consideration of the transaction. The participants also generally discussed Trilogy's international wireless ventures in Haiti, the Dominican Republic, New Zealand and Bolivia.

Pursuant to Section 1.1206(b)(2) of the Commission's Rules, notice of this *ex parte* communication is being filed electronically. If you have any questions regarding this matter, please do not hesitate to contact the undersigned at 202-351-5033.

Sincerely,

Cathleen A. Massey
