Re: Request for Information Concerning Applications of AT&T Inc. and Deutsche Telekom AG for Consent to Transfer Control of the Licenses and Authorizations Held by T-Mobile USA, Inc. and Its Subsidiaries (WT Docket No. 11-65)

Dear Ms. Dortch:

Verizon Wireless hereby submits its Highly Confidential supplemental response to the Information and Discovery Request for Third Parties issued by the Wireless Telecommunications Bureau in WT Docket No. 11-65 to Verizon Wireless on June 6, 2011,¹ as amended by letter dated June 27, 2011.² Verizon Wireless is providing a supplemental response to Item 8 today.

This response includes Highly Confidential Information that is some of Verizon Wireless' most sensitive business information, is not available from publicly available sources, has been kept strictly confidential by Verizon Wireless, and is subject to protection under FOIA and the Commission's implementing rules. The release of this Highly Confidential Information would have a serious negative effect on Verizon Wireless' business and would place Verizon Wireless at a significant disadvantage in the marketplace and in negotiations. Accordingly, Verizon Wireless is submitting this Highly Confidential Information pursuant to the Second Protective Order (Revised) issued June 22, 2011 ("Second Protective Order") in this docket and has marked this document as such.³

Because the previously-submitted file was not accessible, Verizon Wireless is providing a corrected version of the comma-delimited ASCII text file with data on the Attachment A –
