**NINTH SUPPLEMENTAL RESPONSE OF AT&T INC.  
TO INFORMATION AND DISCOVERY REQUEST DATED MAY 27, 2011,  
TO SUPPLEMENTAL REQUEST FOR INFORMATION DATED JUNE 27, 2011  
AND FURTHER REQUESTS DATED OCTOBER 27, 2011**

**November 3, 2011**

**Introduction**

AT&T Inc. (“AT&T”) provides this ninth supplemental response (the “Ninth Supplemental Response”) to the letter dated May 27, 2011, from Ruth Milkman, then Chief of the Wireless Telecommunications Bureau of the Federal Communications Commission (the “FCC” or the “Commission”), and the attached Information and Discovery Request for AT&T, Inc. (collectively, the “Request”), to the Supplemental Request for Information dated June 27, 2011, from Rick Kaplan, current Chief of the Wireless Telecommunications Bureau of the FCC (the “Supplemental Request”), and to the further requests contained in the October 27, 2011 letter from Ms. Renata B. Hesse, Senior Counsel to the Chairman for Transactions (the “October 27 Request”).

AT&T (sometimes referred to in the Request as the “Company” as defined therein) incorporates by reference additional information from its June 10, 2011 Response (“Response”), July 7, 2011 Supplemental Response (“Supplemental Response”), July 19, 2011 Second Supplemental Response (“Second Supplemental Response”), July 27, 2011 Third Supplemental Response (“Third Supplemental Response”), August 9, 2011 Fourth Supplemental Response (“Fourth Supplemental Response”), August 19, 2011 Fifth Supplemental Response (“Fifth Supplemental Response”), August 25, 2011 Sixth Supplemental Response (“Sixth Supplemental Response”), August 26, 2011 Seventh Supplemental Response (“Seventh Supplemental Response”), and October 31, 2011 Eighth Supplemental Response (“Eighth Supplemental Response”), including the defined terms, information and qualifications included therein.

**REDACTED – FOR PUBLIC INSPECTION**

The Request, Supplemental Request, and October 27 Request call for AT&T to submit certain information and documents that are extremely sensitive from a commercial, competitive, and financial perspective, and that AT&T would not reveal in the ordinary course of business to the public or its competitors. AT&T is submitting information and documents on a confidential and highly confidential basis pursuant to the Protective Order issued on April 14, 2011, and the Second Protective Order, issued on April 27, 2011, and amended on June 9, 2011 and July 19, 2011, in place in WT Docket No. 11-65. The inadvertent inclusion of any material that is subject to an assertion of the attorney-client, attorney work-product or other applicable privilege is not intended as a waiver of such privilege.

AT&T has redacted confidential information in the Ninth Supplemental Response (as reflected where marked “[**Begin Confidential Information**] [ ] [**End Confidential Information**]”) and highly confidential information in, and exhibits to, the Ninth Supplemental Response (as reflected where marked “[**Begin Highly Confidential Information**] [ ] [**End Highly Confidential Information**]”). The redacted Ninth Supplemental Response is marked, “**REDACTED – FOR PUBLIC INSPECTION,**” and is being filed electronically in the Commission’s Electronic Comment Filing System (“ECFS”). The highly confidential, unredacted Ninth Supplemental Response is marked, “**HIGHLY CONFIDENTIAL INFORMATION – SUBJECT TO PROTECTIVE ORDER IN WT DOCKET NO. 11-65 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION – ADDITIONAL COPYING PROHIBITED,**” and is being delivered to the Secretary. Additional copies of the unredacted Ninth Supplemental Response are being delivered as instructed in the original Request.

**REDACTED – FOR PUBLIC INSPECTION**

In accordance with the Request, the Supplemental Request, The October 27 Request, the Protective Order, and the Second Protective Order, as amended, unredacted copies of highly confidential documents are marked “**HIGHLY CONFIDENTIAL INFORMATION – SUBJECT TO SECOND PROTECTIVE ORDER IN WT DOCKET NO. 11-65 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION – ADDITIONAL COPYING PROHIBITED**”; unredacted copies of confidential documents are marked “**CONFIDENTIAL INFORMATION – SUBJECT TO PROTECTIVE ORDER IN WT DOCKET NO. 11-65 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION**”; and redacted copies of highly confidential and confidential documents are marked “**REDACTED – FOR PUBLIC INSPECTION.**” Pursuant to the Request and Supplemental Request, both the redacted and unredacted versions of confidential and highly confidential documents are being delivered to Kathy Harris of the Wireless Telecommunications Bureau.

**RESPONSES**

**OCTOBER 27 REQUEST 1:**

**All documents not previously submitted in this docket that AT&T has filed with the U.S. District Court for the District of Columbia in *United States vs. AT&T Inc.*, No. 1:11-cv-01560, that are not publicly available. This is a continuing request, and any non-public documents should be submitted to the Commission as AT&T files them in the district court case.**

**RESPONSE:**

At this time, AT&T has no non-public documents which have been filed in the action which contain proprietary information of AT&T.

**OCTOBER 27 REQUEST 2:**

**All documents (including emails) AT&T collected as part of a "second sweep" and submitted to the U.S. Department of Justice.**

**RESPONSE:**

Documents responsive to this request were previously produced to the FCC on June 10, 2011. Additional documents responsive to this request are included in AT&T's production accompanying this supplement.

**OCTOBER 27 REQUEST 3:**

**All documents (including emails), from January 1, 2009 through the present, that discuss or refer to an AT&T enterprise customer account, bid, Request for Proposal (RFP) and/or bidding opportunity, that also make a reference to T-Mobile.**

**RESPONSE:**

AT&T is continuing to prepare a response to this Request. Documents responsive to this request will be provided as soon as that preparation is completed.

**OCTOBER 27 REQUEST 4:**

**The entire document or presentation to which ATTF-TMO-00479651 refers to or is a part of; if ATTF-TMO-00479651 is a draft, the final or last version of the entire document.**

**RESPONSE:**

AT&T has identified ATTF-TMO-00479637, which it reasonably believes is most likely to be the document in question. AT&T bases this belief on the fact this document and ATTF-TMO-00479651 share the same custodian, are from the same time period (January 2010) and have substantially similar agendas/outlines. Additionally, AT&T performed a key word search of custodians it reasonably expects might have a document similar to ATTF-TMO-00479651,

and found no documents that it believed were more likely than this document to be the final version of ATTF-TMO-00479651.

**OCTOBER 27 REQUEST 5:**

**With regard to each of the periodic reports prepared by AT&T employees (such as planning, outlook, or forecast reports, prepared by specific divisions, task forces, etc.) that AT&T has previously provided to the Commission in this proceeding, an explanation of the drafting and finalization process AT&T uses in preparing the report, including the individuals responsible for each step of the drafting, reviewing and final approval process and who receive copies of the final version of the report (including, in all instances, each individual's job title or job description). Also, describe the levels of review required before any plans described in those documents are finalized. We seek information for the report generally, not for each periodic issuance; for example, with respect to a sales report that is prepared quarterly, we request one set of descriptions, not several separate descriptions for each quarterly sales report that has been provided (1<sup>st</sup> Quarter 2010, 2d Quarter 2010, etc.). To the extent the review process or participants in the review of a particular type of review change over time, however, please provide us with the required information for the time period of our request.**

**RESPONSE:**

AT&T is continuing to prepare a response to this Request, which will be provided as soon as that preparation is completed.
