The information and documents provided in this response to information request number 20 are Highly Confidential to ACS and therefore are being provided under seal pursuant to the Commission's Second Protective Order in this docket. The highly confidential information is marked Highly Confidential for the filing of the confidential version of this letter and the highly confidential information is redacted for the filing of the public version of this letter, consistent with the requirements of the Second Protective Order.

In accordance with the October 11 Letter, the documents contained on the enclosed CD-ROM disc, which contains Summation load files, are identified as submitted by ACS, the production volume is sequentially numbered ACSFCC008-001 to follow previous volumes of documents submitted, and the individual images are sequentially numbered ACS_FCC000026776 through ACS_FCC000026780 to follow previous submissions of images. The production index associated with the documents provided for this information request is provided electronically on a separate CD-ROM disc.

The documents provided in this submission are Highly Confidential to ACS and therefore are being provided under seal pursuant to the Commission's Second Protective Order in this docket. All materials included in the enclosed CD-ROM disc are designated as "Highly Confidential" in their entirety. The disc is marked, "HIGHLY CONFIDENTIAL – SUBJECT TO SECOND PROTECTIVE ORDER IN WT DOCKET NO. 12-187 BEFORE THE FEDERAL COMMUNICATIONS COMMISSION," according to the requirements of the Second Protective Order.

ACS has made diligent efforts to ensure that none of the documents it is submitting here is privileged under the attorney-client privilege or attorney work product doctrine. To the extent that any privileged documents may have been inadvertently produced, such production does not constitute a waiver of any applicable privilege. ACS requests that any privileged documents inadvertently produced be returned to ACS as soon as such inadvertent production is discovered by any party, and reserves all rights to seek the return of any such documents.
