NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: June 21, 2007**

**Released: June 25, 2007**

By the Chief, Media Bureau:

**I. INTRODUCTION**

1. The Commission has before it the captioned application of J.L. Brewer Broadcasting, LLC (the "Licensee"), for renewal of its license for FM translator Station W227AK, Chattanooga, Tennessee (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),<sup>1</sup> by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,<sup>2</sup> we find that the Licensee apparently willfully violated Section 73.3539 of the Rules,<sup>3</sup> by failing to timely file a license renewal application for the Station, and willfully and repeatedly violated Section 301 of the Act,<sup>4</sup> by engaging in the unauthorized operation of the Station after its authorization had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of five hundred dollars (\$500), and we grant the captioned W227AK renewal application.

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>5</sup> An application for renewal of W227AK's license should have been filed by April 1, 2004, four months prior to the Station's August 1, 2004, license expiration date,<sup>6</sup> but was not. In fact, the Licensee did not file the Station's renewal application until March 7, 2005, more than seven months after the Station's license had expired. Thereafter, on March 9,

2005, the Licensee filed a request for Special Temporary Authorization (“STA”) for W227AK to continue Station operations pending consideration of the late-filed renewal application.<sup>7</sup> The staff granted the STA request on April 7, 2005, and the STA was to expire on October 5, 2005.<sup>8</sup> A timely extension of the STA was filed on September 27, 2005, and remains pending.<sup>9</sup>

### III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee has failed to timely file a license renewal application for the Station, as required by Section 73.3539(a) of the Rules. Moreover, it continued operating the Station for more than seven months after its license had expired on August 1, 2004, before filing the appropriate renewal application, and seeking an STA to so operate, in violation of Section 301 of the Act. Although the Licensee explains that the untimely filing was inadvertent,<sup>10</sup> broadcast licensees are obligated to fully comply with the Rules, including timely filing the Station’s renewal application and maintaining in effect the Station authorization.<sup>11</sup> It did not do so.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>12</sup> Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.<sup>13</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>14</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>15</sup> Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”<sup>16</sup>

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.<sup>17</sup> The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.<sup>18</sup> In determining the appropriate forfeiture amount, we may adjust the base

amount upward or downward by considering factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>19</sup>

6. In this case, the Licensee failed to timely file the W227AK renewal application and continued Station operations for more than seven months after the Station’s license expired on August 1, 2004, before filing the appropriate renewal application, and for an additional two days before filing a request for STA to so operate. Nevertheless, because it had previously been licensed to operate FM translator Station W227AK, the latter transgression is not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into account these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we will reduce the forfeiture from the base amount to two hundred fifty dollars (\$250) for each violation. Thus, we propose a forfeiture in the total amount of five hundred dollars (\$500).

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by Section 309(k) of the Act.<sup>20</sup> That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>21</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”<sup>22</sup>

8. We find that the Licensee’s violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.<sup>23</sup> Further, we find that FM translator Station W227AK served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application below.

<sup>23</sup> For example, we do not find here that the Licensee's Station operation "was conducted in an exceedingly careless, inept and negligent manner and that the Licensee is either incapable of correcting or unwilling to correct the operating deficiencies." *See Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198 (1971). Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Heart of the Black Hills Stations*, 32 FCC 2d at 200. *See also Center for Study and Application of Black Economic Development*, Hearing Designation Order, 6 FCC Rcd 4622 (1991), *Calvary Educational Broadcasting Network, Inc.*, Hearing Designation Order, 7 FCC Rcd 4037 (1992).
