**MEMORANDUM OPINION AND ORDER
AND
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: January 31, 2007

Released: February 15, 2007

By the Chief, Media Bureau:

I. INTRODUCTION

1. The Commission has before it the captioned application of Kamiak Butte Translator Association (the "Licensee") for renewal of its license for FM Translator Station K237CO, Moscow, Idaho (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),¹ by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,² we find that the Licensee apparently willfully violated Section 73.3539 of the Rules by failing to timely file a license renewal application for the Station,³ and willfully and repeatedly violated Section 301 of the Act,⁴ by engaging in unauthorized operation of the Station after its authorization had expired. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of seven thousand dollars (\$7,000), and we grant the captioned K237CO license renewal application.

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."⁵ An application for renewal of the Station's license should have been filed by June 1, 2005, four months prior to the Station's October 1, 2005 license

expiration date,⁶ but was not. The Licensee did not file the application and a request for special temporary authorization (“STA”) to continue Station operations until November 23, 2005, nearly two months after the Station’s license had expired. The staff granted the STA request on December 8, 2005. The STA expired on June 8, 2006, and the Licensee failed to timely seek extension of the STA or seek additional authority to continue Station operations. In the STA request, the Licensee stated that it failed to timely file the K237CO license renewal application “through inadvertence.”

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee failed to timely file a license renewal application for the Station, as required by Section 73.3539 of the Rules. Moreover, it does not dispute that it continued operating the Station for nearly two months after the license had expired on October 1, 2005, before filing the appropriate renewal application and seeking STA to so operate, in violation of Section 301 of the Act. It also allowed its STA to expire, continuing to operate the station for nearly eight additional months without authorization. Notwithstanding its claim that the failure to timely file the K237CO renewal application was inadvertent, the Licensee was obligated to fully comply with the Rules, including timely filing the Station’s renewal application and maintaining in effect the Station authorization.⁷

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁸ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.⁹ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹⁰ and the Commission has so interpreted the term in the Section 503(b) context.¹¹ Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹²

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹³ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and

gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."¹⁴

6. In this case, the Licensee failed to timely file the K237CO renewal application and continued operating the Station for nearly two months after the Station's license expired on October 1, 2005, before filing the appropriate application and STA request. It also allowed the STA to expire and has continued to operate the Station for nearly eight additional months without authorization. Nevertheless, because it had previously been licensed to operate the Station, the latter transgressions are not comparable to "pirate" wireless operations, which typically have been subject to forfeitures of approximately \$10,000. Taking into consideration these facts and all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to timely file the renewal application for the Station, but reduce the proposed forfeiture for the unauthorized operation from the \$10,000 base amount to \$4,000.¹⁵ Thus, we propose a forfeiture in the total amount of \$7,000.

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by Section 309(k) of the Act.¹⁶ That Section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.¹⁷ If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”¹⁸

8. We find that the Licensee's apparent violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.¹⁹ Further, we find that Station K237CO served the public interest, convenience, and necessity during its subject license term. We will therefore grant the license renewal application below.

Although in *Gospel Media*, the Bureau imposed a proposed forfeiture of \$3,000 for unauthorized operation, the unauthorized operation lasted only two weeks and the applicant did not allow its STA for continued operations to expire. The \$4,000 forfeiture proposed here for unauthorized operation is analogous to use of an unauthorized frequency by a land mobile station holding a license for a different frequency. *See, e.g., In the Matter of Dave Mitchell*, Forfeiture Order, 20 FCC Rcd 1366 (EB 2005); *In the Matter of Joselyn Gordon*, Forfeiture Order, 19 FCC Rcd 23557 (EB 2004).

No. 104-104, 110 Stat. 56 (1996). *See Implementation of Sections 204(a) and 204(c) of the Telecommunications Act of 1996 (Broadcast License Renewal Procedures)*, Order, 11 FCC Rcd 6363 (1996).

¹⁹ For example, we do not find here that the Licensee's operation of the Station "was conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies." *See Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198 (1971). Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the
