NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

**Adopted: January 31, 2007****Released: March 1, 2007**

By the Chief, Media Bureau:

**I. INTRODUCTION**

1. The Commission has before it the captioned application of Family Radio, Inc. (the "Licensee"), for renewal of its license for FM translator Station K257CI, Decorah, Iowa (the "Station"). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture* ("NAL") issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (the "Act"), and Section 1.80 of the Commission's Rules (the "Rules"),<sup>1</sup> by the Chief, Media Bureau by authority delegated under Section 0.283 of the Rules,<sup>2</sup> we find that the Licensee apparently willfully violated Section 73.3539 of the Rules<sup>3</sup> by failing to timely file a license renewal application for the Station. Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of one thousand five hundred dollars (\$1,500), and we grant the captioned K257CI renewal application.

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>4</sup> An application for renewal of the Station's license should have been filed by October 1, 2004, four months prior to the Station's February 1, 2005, license expiration date,<sup>5</sup> but was not. In fact, the Licensee did not file the renewal application until November 24, 2004. The Licensee explains that, in preparing its Minnesota license renewal applications, it discovered that, because K257CI is licensed to a community in Iowa and not Minnesota, it does not share a common license expiration date with primary Station KQYB(FM), Spring Grove, Minnesota, for which the license

renewal application was due on December 1, 2004. It requests “any waivers necessary” to allow the acceptance and processing of the captioned application.<sup>6</sup>

### III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the record indicates that the Licensee has failed to timely file a license renewal application for the Station, as required by Section 73.3539(a) of the Rules. Moreover, as noted above, the Licensee did provide an explanation for the late filing. Notwithstanding the Licensee’s discovery that the K257CI license expiration date was other than that of primary station KQYB(FM) and its claim that the failure to timely file was inadvertent, the Licensee was obligated to fully comply with the Rules, including timely filing the Station’s renewal application.<sup>7</sup> It did not do so.

4. This *NAL* is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.<sup>8</sup> Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.<sup>9</sup> The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,<sup>10</sup> and the Commission has so interpreted the term in the Section 503(b) context.<sup>11</sup> Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”<sup>12</sup>

5. The Commission’s *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.<sup>13</sup> In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”<sup>14</sup>

<sup>6</sup> See captioned application, Exhibit 1. In light of the acceptance and grant of the application, we need not act on the waiver request.

6. In this case, the Licensee failed to timely file the K257CI renewal application. Taking into consideration this fact, the fact that the renewal application was filed prior to expiration of the Station's license, and all of the factors required by Section 503(b)(2)(D) of the Act<sup>15</sup> and the *Forfeiture Policy Statement*, we will reduce the forfeiture from the base amount to \$1,500 for the late filing.

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by Section 309(k) of the Act.<sup>16</sup> That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>17</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”<sup>18</sup>

8. We find that the Licensee's apparent violation of Section 73.3539 of the Rules does not constitute a “serious violation” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, evidence a pattern of abuse.<sup>19</sup> Further, we find that FM translator Station K257CI served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application below.
