STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 13-166

Reply Comments Due: August 2, 2013

On June 17, 2013, Multiband Subscriber Services, Inc., Multiband Corporation (together, Multiband), and Goodman Networks Incorporated (Goodman) (collectively, Applicants) filed an application pursuant to section 63.03 of the Commission's rules¹ to transfer control of Multiband to Goodman.

Multiband, a Minnesota corporation, provides resale local and long distance voice services to approximately 25 multi dwelling unit (MDU) properties in the following counties in the state of Minnesota: Hennepin, Ramsey, Dakota, and Washington. Multiband is a publicly held company that provides services for DIRECTV and the national's largest DIRECTV Master System Operator for MDUs. In connection with its services to MDUs, Multiband provides satellite video, broadband Internet access and, in select locations in Minnesota, a limited amount of resold local and long distance voice services to MDU properties. The following individual holds a 10 percent or greater direct or indirect ownership interest in Multiband: J. Carlo Cannell (13.02 percent).

Goodman, a Texas corporation, does not provide telecommunications services to the public. The following U.S. individuals hold a 10 percent or greater direct or indirect equity ownership interest in Goodman: John Goodman (15.24 percent), Jason Goodman (15.37 percent), and James Goodman (14.89 percent). Applicants state that none of these individuals hold a greater than 10 percent ownership interest in any other telecommunications carrier.

Pursuant to the terms of the proposed transaction, Goodman and Multiband executed an Agreement and Plan of Merger (Agreement). Under the Agreement, Goodman will purchase all of the outstanding shares of common stock, redeem all of Multiband's outstanding preferred stock, and repay

¹ 47 C.F.R. § 63.03; *see* 47 U.S.C. § 214. Applicants also filed an application to transfer control of nationwide license WQPC241 in the 3650-3700 MHz service, held by Multiband Engineering and Wireless, Midwest, Inc. from Multiband to Goodman. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications. Applicants filed a supplement to their domestic section 214 application on July 11, 2013.

Multiband's outstanding bank indebtedness in an all-cash transaction. Multiband will merge with and into Manatee Merger Sub Corporation, a Minnesota corporation and a wholly owned subsidiary of Goodman. Manatee Merger Sub Corporation will then cease to exist as a separate corporate entity. The Applicants' state that, upon consummation of the merger, Multiband will continue as a wholly-owned subsidiary of Goodman. Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.²
