NOTICE OF PROPOSED RULE MAKING

Adopted: February 27, 2014

Released: February 28, 2014

By the Assistant Chief, Audio Division, Media Bureau:

1. The Audio Division has before it a Petition for Rule Making filed by SSR Communications, Inc. ("Petitioner"), permittee of FM Station KIMW, Channel 288A, Haynesville, Louisiana, proposing the allotment of Channel 286A to Haynesville, Louisiana. Petitioner states that the proposed allotment is being filed as part of a hybrid application and rulemaking proposal involving the Petitioner's modification application. In compliance with Commission procedures, Petitioner has concurrently filed an FCC Form 301 application for Channel 286A at Haynesville, and the necessary filing fees.

2. Background. In its hybrid application, Petitioner proposes the relocation of unbuilt FM Station KIMW, Channel 288A, from Haynesville, Louisiana, to Helfin, Louisiana, as the community's first local service. To prevent removal of Haynesville's potential first local service, Petitioner proposes to amend the FM Table of Allotments by allotting Channel 286A at Haynesville, as a "backfill" allotment.

3. Discussion. The proposed change in the FM Table of Allotments warrants consideration because it would comply with our technical requirements and could serve the public interest since it would maintain a potential first local service at Haynesville, Louisiana. A staff engineering analysis indicates that Channel 286A can be allotted to Haynesville consistent with the minimum distance separation requirements of the Commission's Rules with a site restriction 4.6 kilometers (2.9 miles) south of the community. The reference coordinates are 33-00-12 NL and 93-08-19 WL. Accordingly, we will solicit comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Rules, with respect to Haynesville, Louisiana:
