COMMENTS INVITED ON APPLICATION OF ACOMM INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-176
Comp. Pol. File No. 1232

Comments Due: August 24, 2015

Section 214 Application **Applicant: ACOMM Inc.**

On **July 1, 2015**, **ACOMM Inc.** (ACOMM or Applicant), located at **6160 Summit Drive North, Ste 375, Brooklyn Center, MN 55430**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services in Minnesota (Service Area).¹ On July 28, 2015, ACOMM filed an amendment to correct certain deficiencies in its application and update the record regarding the notice provided to customers.² Accordingly, ACOMM's application is deemed complete as of July 28, 2015.

ACOMM indicates that it currently offers Switched Access Interstate voice service, Operator Services, Directory Assistance (collectively Affected Services), as well as Switched Access International voice service in the Service Area. ACOMM states, however, that it plans to discontinue the Affected Services and its Switched Access International voice service in the Service Area on or after August 21, 2015, subject to Commission authorization.³ ACOMM submits that the public convenience and necessity will not be impaired by the proposed discontinuance because ACOMM has a minimal number of customers that subscribe to these services and there are other providers in the market. ACOMM states that it first sent notice of the proposed discontinuance to affected customers via the U.S. Postal Service on or before July 1, 2015. ACOMM further represents that, on July 24, 2015, it sent affected customers a revised notice that is consistent with section 63.71(a)(5)(i) of the Commission's rules. ACOMM asserts that it is considered a non-dominant carrier with respect to the services to be discontinued.

¹ See Section 63.71 Application of ACOMM Inc. for Authority Pursuant to Section 214 of the Communications Act of 1934, As Amended, to Discontinue the Provision of Service, WC Docket No. 15-176 (filed July 1, 2015), <http://apps.fcc.gov/ecfs/comment/view?id=60001089931> (Application).

² See Letter from Jerry L. Chapman, ACOMM Inc., to Marlene H. Dortch, Esq., Secretary, Federal Communications Commission, WC Docket No. 15-176 (filed July 28, 2015).

³ The discontinuance of international service is governed by section 63.19 of the Commission's rules. See 47 C.F.R. § 63.19.

In accordance with section 63.71(c) of the Commission's rules, ACOMM's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies ACOMM that the grant will not be automatically effective. In the Application, ACOMM indicates that it plans to discontinue the Affected Services in the Service Area on or after August 21, 2015, subject to Commission authorization. Accordingly, pursuant to section 63.71(c) and the terms of the Application, absent further Commission action, ACOMM may discontinue the Affected Services in Minnesota on or after **September 7, 2015**, in accordance with its filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **August 24, 2015**. Such comments should refer to **WC Docket No. 15-176 and Comp. Pol. File No. 1232**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
