**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 9 (FLORIDA) REGIONAL PLANNING COMMITTEES
TO HOLD 700 MHZ AND 800 MHZ MEETINGS**

Gen. Docket No. 90-119 and WT Docket 02-55

The Region 9 (Florida) 700 MHz and 800 MHz Regional Planning Committees (RPCs) will hold two consecutive meetings on Tuesday, May 23, 2017. Beginning at 8:30 a.m., the Region 9 700 MHz RPC will convene at the Hilton Daytona Beach Resort Ocean Walk Village, 100 North Atlantic Avenue, Daytona Beach, Florida, 32118. Immediately following the 700 MHz RPC meeting, the 800 MHz RPC meeting will convene at the same location.

The general agenda items for the 700 and 800 MHz RPC meetings include (the final agenda will be provided at meeting):

- By-Laws and Amendments to the Regional Plans
- FCC & NRPC Updates
- Delegation of the Other Planning Authority
- General Status Report from the State of Florida
- Review of Officers and Open Positions

Both Region 9 meetings are open to the public. All public safety providers in Region 9 may utilize these 700 MHz and 800 MHz frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 9 should plan to attend. For further information, please contact:
