WC Docket Nos. 11-42 and 09-197

The Wireline Competition Bureau (Bureau) hereby approves the revised compliance plan¹ of AirVoice Wireless, LLC (AirVoice) filed pursuant to the requirements for the continued provision of Lifeline service.²

The Act provides that a carrier be designated as an eligible telecommunications carrier (ETC) to receive universal service support.<sup>3</sup> The Commission has required that all non-facilities based telecommunications carriers seeking Lifeline-only ETC designation must meet the following conditions: (1) compliance with certain 911 and enhanced 911 (E911) public safety requirements; and (2) Bureau approval of a compliance plan providing specific information regarding the carrier and its service offerings and outlining the measures the carrier will take to implement its obligations.<sup>4</sup>

The Bureau has clarified that any transfer of ownership or control of an ETC with an approved Lifeline compliance plan requires approval in advance of the transaction.<sup>5</sup> This includes renewing compliance plan approval for changes in the corporate ownership and control of the ETC.<sup>6</sup>

In accordance with this requirement, AirVoice submitted a revised compliance plan to reflect the proposed acquisition of AirVoice by VTel Holdings, LLC (VTel), and to otherwise update AirVoice's

AirVoice is a Lifeline ETC in California, Kentucky, Michigan, Mississippi, New York, Ohio, Oklahoma, Pennsylvania, South Carolina, and Wisconsin.<sup>8</sup> Pursuant to the terms of a Membership Interest Purchase Agreement dated May 17, 2021, VTel will purchase 100% of the membership interests of AirVoice, contingent on receipt of the necessary regulatory approvals.<sup>9</sup> Following the proposed change in ownership, AirVoice's corporate and trade names and identifiers will remain unchanged. Further, AirVoice attests that the transaction will not result in any loss or impairment of service for any customer, and that customers will continue to receive their existing services at the same or better rates, terms, and conditions currently in effect.<sup>10</sup>

The Bureau has reviewed AirVoice's Revised Compliance Plan for conformance with the relevant requirements, and now approves the Revised Compliance Plan. We note that with respect to this matter, AirVoice will remain the only entity with an approved compliance plan. Additionally, AirVoice must continue to comply with any future additions to or amendments of the Lifeline program rules unless it has relinquished its relevant designation(s) pursuant to section 214(e)(4) of the Act.<sup>11</sup>
