**STREAMLINED INTERNATIONAL APPLICATIONS ACCEPTED FOR FILING  
SECTION 214 APPLICATIONS (47 C.F.R. § 63.18); SECTION 310(B)(4) REQUESTS**

Unless otherwise specified, the following procedures apply to the applications listed below:

The international Section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications are for authority under Section 214 of the Communications Act, 47 U.S.C. § 214, (a) to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier.

Pursuant to Section 63.12 of the rules, these Section 214 applications will be granted 14 days after the date of this public notice (see 47 C.F.R. § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

The petitions for declaratory ruling listed below are for authority under Section 310(b)(4) of the Communications Act, 47 U.S.C. § 310(b)(4), to exceed the 25 percent foreign ownership benchmark applicable to common carrier radio licensees. The requested rulings will be granted 14 days after the date of this public notice, effective the next day, unless the application is formally opposed or the Commission has informed the applicant in writing, within 14 days of the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. For this purpose, a formal opposition shall be sufficient only if it is received by the Commission and by the applicant within 14 days of the date of this public notice and its caption and text make it unmistakably clear that it is intended to be a formal opposition.

Copies of all applications listed here are available for public inspection in the FCC Office of Public Affairs Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington DC 20554. **ITC-T/C-20100719-00295** E TRICOM USA, INC.

Transfer of Control

**Current Licensee:** TRICOM USA, INC.

**FROM:** TRICOM USA, INC.

**TO:** AMZAK Capital Management, LLC

Application for consent to the transfer of control of international section 214 authorizations, ITC-214-19980430-00286 (Old File No. ITC-98-342) and ITC-214-19970421-00220 (Old File No. ITC-97-221), ITC-214-19990325-00153, ITC-214-19930101-00257 (Old File No. ITC-93-246), ITC-214-19960925-00468 (Old File No. ITC-96-532), and ITC-MOD-19970618-00335 (Old File No. ITC-96-532-M), held by Tricom USA, Inc. (Tricom USA) to AMZAK Capital Management, LLC (AMZAK).

The Commission previously granted consent for the transfer of control of Tricom USA to Hispanola Telecom Holdings, Ltd. (Hispanola) pursuant to a plan of reorganization under Chapter 11 of the U.S. Bankruptcy Code by the United States Bankruptcy Court for the Southern District of New York. See ITC-ASG-20091223-00543, DA 10-232, 25 FCC Rcd 1279, 1281 (IB 2010). However, the final ownership at the completion of the reorganization differed substantially from the ownership approved in the prior application. Due to its acquisition of additional claims against Tricom, S.A., the direct parent of Tricom USA, at the completion of the bankruptcy reorganization AMZAK held a 57.2% ownership interest in Hispanola, which has a 97% ownership interest in Tricom, S.A., and thus AMZAK acquired control of Tricom USA.

Tricom USA is wholly-owned by Tricom, S.A., a Dominican Republic entity. Hispanola, a Commonwealth of the Bahamas entity, has a 97% ownership interest in Tricom, S.A. At the completion of the bankruptcy reorganization the following entities had a 10 percent or greater interest in Hispanola: AMZAK (57.2%); Ellis Portafolio, S.A., a British Virgin Islands entity (12.5%); and MAP Private Trust Company, a Cayman Islands entity, for the benefit of Manuel Arturo Pellerano Pena and certain family members, all citizens of the Dominican Republic (19.0% indirect through various companies including Ellis Portafolio, S.A.). The Kazma family - Gerald Kazma, Michael Kazma, and Leigh Kazma, all Canadian citizens - hold 100 percent of the ownership interests in AMZAK. No other individuals or entities are held a ten percent or greater equity or voting ownership interest in Hispanola Telecom Holdings, and consequently in New Tricom USA, at the completion of the bankruptcy reorganization.
