The Honorable Tom Wheeler, Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Wheeler,

Thank you for your steadfast commitment to modernize E-Rate, close the digital divide and expand broadband to all Americans.

I'm writing to you regarding a proposal by the California Public Utilities Commission (CPUC), the California Broadband Council, and the California Emerging Technology Fund (CETF), to implement the National Broadband Plan in California.

I hope you'll work with these organizations in support of our shared goals to expand broadband deployment and adoption in California and across the nation.

Most gratefully,

Anna G. Eshoo
Member of Congress
