Dear Congressman Cárdenas:

Thank you for your letter regarding the proposed acquisition of Time Warner Cable (TWC) by Comcast. I appreciate your interest in the Commission's review of the transaction, as well as hearing your views on the matter. Your letter will be made part of the record.

As noted in your letter, you seek an examination of the impact of the merger on independent programmers and ask that we closely examine whether safeguards exist to protect unaffiliated programming from discrimination. I can assure you that these issues are front and center in the Commission's proceeding.

As I have expressed to you before, we will continue to conduct an open and transparent process as we review the issues presented by the proposed transaction, including the concerns raised in your letter.

I hope this information is helpful.

Sincerely,
