Dear Chairman Lee:

Thank you for your letter regarding Charter Communications' proposed merger with Time Warner Cable and acquisition of Advance/Newhouse Partnership, the parent of Bright House Networks. I appreciate hearing your views.

Consistent with our rules, the Commission will evaluate whether these proposed transactions are in the public interest. Our analysis on any transaction is always robust and takes several factors into account, including the issues you raise in your letter. Not only do we assess whether we can appropriately remedy any harms that may arise from the transaction, we also place great emphasis on the benefits that the transaction will confer on American consumers. While I am unable to discuss the merits of this particular proceeding, I can assure you that the Commission will be conducting an open and transparent process as required by FCC rules and regulations. After developing a full and complete record, we hope to conclude our review as quickly as possible.
