**STATEMENT OF COMMISSIONER MICHAEL O’RIELLY
ON RECOMMENDATION REGARDING CHARTER/TIME WARNER
CABLE/BRIGHT HOUSE NETWORKS**

WASHINGTON, April 25, 2016. — As publicly acknowledged, the Chairman and his team have put forward recommendations regarding Charter’s proposal to acquire Time Warner Cable and Bright House Networks. At first blush, it appears that the Commission may have operated well outside the four corners of the merger application to pursue unrelated matters and policies. I will carefully consider the item put before me and vote in a timely manner.
