**STATEMENT OF BRENDAN CARR**  
*On Being Sworn in as a Commissioner of the FCC*

WASHINGTON, August 11, 2017—It is a tremendous honor and privilege to serve as a Commissioner of the FCC. I am grateful to President Trump for nominating me and to the United States Senate for confirming me to serve the American public in this capacity.

I have had the privilege of working at the agency for over five years, and that experience has instilled in me a deep appreciation for the FCC's work and its talented staff. Whether it is promoting broadband deployment, maintaining the United States' leadership in wireless, or advancing public safety, I look forward to hitting the ground running and working with my colleagues at the Commission to serve the public interest.
