Dear Congresswoman Shea-Porter:

Thank you for your letter regarding the Restoring Internet Freedom Notice of Proposed Rulemaking (NPRM) adopted by the Commission on May 18, 2017. I share your view on the importance of having a free and open Internet. And in this proceeding, the Commission is currently examining the best legal framework for both protecting Internet freedom and providing strong incentives for the private sector to build and expand next-generation networks so that all Americans can be connected to digital opportunity.

Currently, the FCC is in the midst of receiving public comment on this matter, and we will go where the facts and the law lead us. Your views are very important and will be entered into the record of the proceeding and considered as part of the Commission's review. I look forward to continuing to work with you and your colleagues on this critical issue. Please let me know if I can be of any further assistance.

Sincerely,
